Thanks LaTonya.

I will check in with OSWER-hq. Did either office express a timing preference for the briefing, and/or does the region have any upcoming periodic update already scheduled for the delegation?

Subject: Congressional Staff Briefing re: West Lake Landfill/Wall Street Journal Article
Importance: High

Hi Nichole,

We have received an inquiry from Erik Rust with Congresswoman Ann Wagner's office requesting an update/briefing on the West Lake Landfill site. Erik's inquiry is in light of the Wall Street Journal article. We also received an inquiry from Steve Englehardt with Congressman William Lacy Clay's office asking about EPA's response to the Wall Street Journal article.

R7 will do periodic conference call updates/briefings for staff of the West Lake Landfill congressional delegation. The conference calls are led by Karl Brooks (R7-RA), with his West Lake Landfill executive team.

Please let me know how you recommend R7 proceed in responding to Congresswoman Wagner's request.

Thanks.
